

NURSE AIDE

PROGRAM DESCRIPTION

The Nurse Aide curriculum prepares individuals to work under the supervision of licensed health care professionals in performing nursing care and services for persons of all ages.

Course work emphasizes growth and development throughout the lifespan, personal care, vital signs, communication, nutrition, medical asepsis, therapeutic activities, accident and fire safety, household environment and equipment management, family resources and services, and employment skills.

Graduates of this curriculum may be eligible to be listed on the North Carolina state registry as a Nurse Aide I and Nurse Aide II. They may be employed in home health agencies, hospitals, clinics, nursing homes, extended care facilities and doctor's offices.

ADMISSION INFORMATION
